### Nature Wonder

#### Morning

Meet your group leader at the Andaman Discoveries office for a pre-trip briefing and then ride a bike together with your bilingual translator, take a ride through the surrounding plantations and learn about a living way of Southern Thailand, along the way you can stop to visit local fruit orchard and taste the delicious natural products, make your way to visit the Water Lilly conservation project.

And then continue cycling to the Kuraburi Dam reach to the waterfall and enjoy a swim in the fresh and cool waters.

#### Afternoon

Enjoy a pack lunch under the shade of trees and absorb a peace and quiet of the jungle. Continue your Cycling back and take a different road that lead you along the Nang Yon River (Kuraburi River) return to town, arrive AD office. End of the program.
