

## Read this and answer the questions

I come from Glasgow in Scotland. Glasgow is smaller and wetter than London.

In Glasgow there is a big river and a few very stable bridges. There are lots of people and cars in Glasgow. Some of the roads are a little bit bumpy.

My house is behind a very big football stadium and near a train station. There are lots of small shops next to my house.

1. Where do I come from? \_\_\_\_\_

2. What's in Glasgow?
