

About 1.5 km.

About an hour.

This is my brother.

This is the rubber plantation.

Yes we can.

We'll go biking.

At half-past 3.

How long will we visit the fruit farm?

When do we make handicrafts?

Who's this?

What's this?

Can I go to the beach?

What do we do at quarter-to-two?

How long is the walk?
