Availability	All year round - Minimum 2 pax, maximum, 8 pax

Pick up at your hotel in the morning and you will be transferred by private vehicle to a peaceful seashore of Bangkok and explore the local and traditional way of living. (Approximately 1 hour drive from Bangkok city center). We will explore the only district in Bangkok which is located at the Gulf of Thailand.

We will visit a local **Sea Salt farm community**. The local families in the community are very nice people and happy to give you the information of how to create a salt farm, what are the different salt kinds and how the salt is extracted from the sea water. *(Subject to availability, we can experience to walk on the top layer of the salt in the farm like a natural foot spa)*

Then transfer to the **fisherman village**, the only way to enter to this village is by boat. We will have **seafood lunch** at fisherman house where is located on the water and the main craft of local people is fishing. They grow cockles, blue crabs and fish in the ecology surrounding by limiting the area for fishing of each house hold and not allowing to destroy the mangrove forest. The use of chemicals is strictly forbidden so you can be sure to have **organic seafood**. You also can enjoy **home cooking, cockles or crab picking, kayaking and swimming**.

Return to hotel in late afternoon.

**What to bring:*

Swimming suit for changing (please choose such clothes that can be cleaned easily or you think you can throw away because it may be difficult to clean from the mud), shampoo, shower gel, towel, hat, sun screen cream, sun glasses.

Activities and Experiences:
