*Similan National Park is a paradise of fine white sandy beaches, thick jungle, crystal-clear waters, and some of the best coral reef in Thailand. The coral reefs are host of a dazzling variety of sea animal life, appreciated at best whilst snorkeling. The islands breathtaking is also easily accessible, making for the perfect self-guided walking tour.*

### Day 1 – Turquoise Bays and Corals Reefs

Early morning your transfer will pick you up from your accommodation in Khaolak to bring you to Tablamu Pier and then register and collect your snorkeling equipment. Transfer to Similan Island by speedboat.

At the island head out for some marine exploration. Enjoy snorkeling time at Koh Mieng with the white sand beach in the morning. In this area one can find sea turtles and a variety of marine life. You will visit several sheltered reefs, which are shallow and teeming with parrotfish, clownfish, and brightly colored soft coral.

Have lunch at the National Park Head Quarters (NPHQ).

After lunch explore the Island, the most beautiful area in Similan. Discover the abundance of coral reefs and some rare fish not found anywhere else. Spend the afternoon immersed in the underwater world - whales and manta rays are known to frequent the area, and the islands are a nesting site for three species of turtles.

Transfer back to Tablamu by speedboat and then car transfer to Khaolak end your program.

Arrive at the mainland around 4.30pm.
