Then head into the herbal garden and learn about the plants traditional uses.

Day 1 Cultural Exchange

Morning Start the tour in Krabi, at the Bus station or your hotel, to meet your Andaman Discoveries translator for pre-trip briefing

Transfer to Ban Na Teen Village meet your host families and take a walk through the village and the way of life in village through the kitchen garden

Noon Have a personalized cooking class and help make your lunch with your homestay hosts – lunch with your host family

Then, learn from the local occupational group about all the uses of coconuts; from grating the raw coconut, to making coconut milk for cooking and then using the shell to make key chains or bracelets. Design your own Batik textiles by painting colorful designs on a sheer white cloth

Make a tasty traditional Thai dessert and learn to cook Thai food with the local community

Evening

Dinner with freshly-caught seafood and Thai curries. Spend a second night in your simple and comfortable bungalow

Day 2 Natural Wonder

Morning In the early morning learn how to tap rubber trees with the local farmers. Breakfast at home stay with variety of Thai breakfast and then visit the herbal garden and learn about the plants traditional uses with local community.

Pack and say goodbye to your friendly hosts. Transfer to Krabi town or Ao Nang and end of program.

Andaman Discoveries is a social enterprise enabling visitors and volunteers to support community education, village-led conservation, and cultural empowerment.
