Bask in the beauty of a 20 million year old rainforest and immerse in the nature of the Khao Sok National park area. Take a boat trip with a local community group and chose a variety of activities such as a guided hike through the jungle, Spend your day at a floating bungalow restaurant on a majestic lake. Enjoy eco adventures or relax in the tranquility of nature.

Day 1 Khaosok Lake

08:30 - Transfer from **Surathani Train station** or Khao Sok Hotel to office in Ban Ta Khun for pre trip briefing.

10:00 - Arrive at Rajaparaba Dam and board your long tail boat for a scenic Tour of the breathtaking limestone karst formations at Gui Lin.

11:00 - Arrive at the Floating Bungalows. Take a swim in the pristine waters of Lake Cheow Lan, take a Kayak and explore the many inlets of the Lake, or just relax and sunbathe while taking in the scenery.

12:00 - Enjoy a traditional Thai Lunch prepared with Fresh caught fish, flavorful southern Thai curries, and delicious local vegetables

13:00 - Depart the raft house by long tail boat for the trailhead and enjoy Trek through Khao Sok's prehistoric jungle. This wilderness is home to 5% of the world's species and boasts Langurs, Gibbons, Macaques, rare birds, butterflies and more. These trails were used by the indigenous peoples before the dam was constructed and have a rich history that your guide will explain along the way. Depending on the season, you may visit a cave with spectacular limestone formations hanging from the ceiling.

16:00 - Board your long tail boat and return to the pier

17:00 - Transfer to your hotel in Khao Sok, end of Program.
