

Moken Encounter - c2c

Trip Summary	2 days/1 night tour to Moklan village on the Island of Koh Phra Thong
Getting There	Tour starts and ends at Kuraburi
In-country support	International support staff, local guide, bilingual Thai/English translator, visitor's handbook
What's included	Transfers during the tour, accommodation, activities and meals as stated in the program
Availability	All years round

Experience a unique homestay on Phratong Island in the Moklan village of Tung Dap, an ideal place for an eco tour based on local livelihood activities. Learn the traditional culture and stories of the Moklan, who used to be a nomadic sea-faring people. Try your hand at fishing on the beach or collecting clams and learn the art and technique behind repairing squid traps with local fisherman. Explore the savannah by tractor on the interior of the island with your local guide, and relax on the long stretch of undeveloped beach. Enjoy the delicious Southern Thai food in your homestay, even a homemade Thai snack!

Day 1

Moken Life

Morning

Start the tour in Kuraburi at the Andaman Discoveries office for a pre-trip briefing and cultural orientation

Transfer to Tung La Ong Pier to meet your local hosts and then take a boat to the remote island of Koh Phra Thong. Along the way explore the mangrove forest in a long-tail boat, where you have the chance to spot playful otters and shy monkeys

Take a fascinating journey through the tidal canals and learn about this amazing eco-system which also acts as a nursery for crabs, fish and shrimp

Noon

Lunch at the homestay house

Learn how to make squid traps with local fisherman

Join the local woman to make a traditional Moklan dessert from local "kanom jak" flour and coconut

Enjoy a tractor ride to a long stretch of deserted beach to learn about the local occupations of fishing, collecting edible oyster and tin mining

Relax on the beach and enjoy a beautiful sunset or help prepare the evening meal of the freshest sea food with your hosts

Evening

Dinner with host family and share stories with your homestay family
Weave palm forms into animal shapes. Keep your creation as a souvenir

Overnight: Simple and comfortable homestay. Bedding and mosquito net is provided.

Andaman Discoveries is a social enterprise enabling visitors and volunteers to support community education, village-led conservation, and cultural empowerment.

Day 2

Island Nature

Morning

Breakfast at the homestay

Take a tour through the savannah from the back of a homemade tractor. Try to catch a glimpse of wildlife, such as deer and birds, or find a honeycomb up in the trees

Noon

Lunch at the homestay

Pack and say goodbye to your friendly hosts

Transfer back to Kuraburi

Arrive to the Andaman Discoveries office for debriefing, and then on to your next destination
